TotalCardiology ensure uninterrupted care for you while protecting your personal health information. In the event your cardiologist is unable to or can no longer provide care for you, your medical records will be transferred to/assessed by another one of our cardiologists to maintain continuity of care.

\*The personal health information that you provide to TotalCardiology is collected in paper and/or electronic formats and is used and disclosed in accordance with the provisions of the Health Information Act (HIA) and any other applicable laws. This information will be used to provide diagnostic, treatment and care services to you and to bill your provincial health care or other third-party payers for services provided. Any release of specific medial information to any third party can and will only be done with your explicit written consent and in accordance with Provincial, College of Physicians and Surgeons of Alberta and TotalCardiology's policies and procedures for release of confidential information. You may withdraw your consent for release of such information at any time. For more information, please contact us at 403-571-8600 and ask to speak with our privacy officer.
